Charlotte TURNS 8!

ALL eyes may be on **King Charles III** as he ascends to the throne, but on May 2, his granddaughter **Charlotte** had an eighth birthday fit for the princess that she is. “It’s such an exciting time with the coronation,” an insider tells *Star*. “Still, **Prince William** and **Princess Kate** went out of their way to make sure Charlotte’s birthday was special.”

To mark the occasion, the royals released two photos of their middle child. (Big brother **Prince George** is 9, while **Prince Louis** celebrated his 5th birthday April 23.) Shot by photographer **Millie Pilkington** at Windsor Castle, the new snaps showcase Charlotte’s strong resemblance to her dad (that smile!) and feature their pup, Orla. Keeping things in the family, Orla is from Kate’s brother **James Middleton**’s dog Luna’s first litter! “Thank you for all the birthday wishes,” the Prince and Princess of Wales captioned the pic.

On the big day, the birthday girl feasted on cake baked by her mom. “Kate was given a very specific request from Charlotte about the flavor and frosting,” says the insider. “Her parents are very sparing with letting the kids eat too much sugar, so she wanted to make the most of it!”

Known for being feisty, Charlotte has been spotted chastising her brothers in public and offering tips on protocol. “She’s very precocious and a little bossy,” notes the insider. “But in a super-cute and endearing way. Everyone adores her and she’s really protective and caring toward everyone.” ★

THE ROYALS PAWS TO CELEBRATE!

THE LITTLE PRINCESS IS THE SPITTING IMAGE OF HER DAD.

HER BIG DAY

“Charlotte had a lovely time, she was spoiled rotten by her parents and brothers,” says an insider. “So many cards and gifts came from all over.” Grandpa Charles sent his via his official Twitter account!

MOMS RULE THE RED CARPET!

Family Way

“Serena and Alexis have told Olympia she’s going to be a big sister and she’s so excited,” says an insider.

Fashion Moment

“Pulling off the big reveal at the Met Gala of all places was the icing on the cake,” an insider says of Karlie and Josh’s happy news.

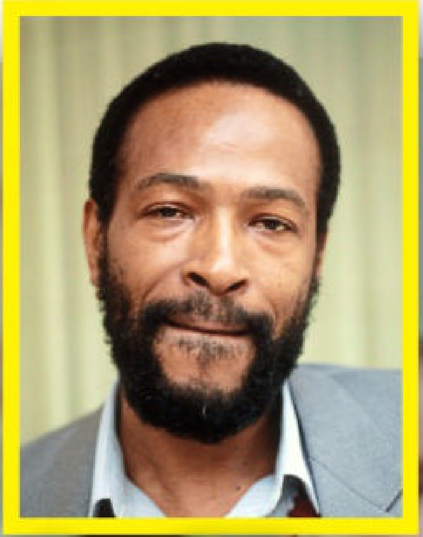
SERENA & KARLIE: MET GALA BUMP DEBUT!

WHAT BETTER TIME FOR CELEBS TO DO A PREGNANCY REVEAL THAN ON FASHION’S BIGGEST NIGHT?

They each had a plus-one! Both **Serena Williams** and **Karlie Kloss** revealed they’re expecting their second children on the Met Gala red carpet May 1 in NYC. “Was so excited when **Anna Wintour** invited the 3 of us to the Met Gala,” the tennis great, wed to **Alexis Ohanian** since 2017, posted on Insta before showing off her bump in formfitting Gucci. Meanwhile, model Karlie posted a getting-ready slideshow captioned “Baby’s first Met.”

The Chicago native and her husband, venture capitalist **Josh Kushner**, are already parents to son Levi, who just turned 2. “They’re excited to be giving Levi a little sibling,” an insider tells *Star*, adding that the 30-year-old is “around the start of her third trimester.” Not long after the birth of her first child, Karlie called motherhood “the greatest joy I ever knew” but also admitted she wondered how other moms got it done. This time around, she’s taking care of No. 1. “She’s pacing herself with work,” says the insider. “And getting plenty of rest.”

Serena is also enjoying a more serene second pregnancy. In late 2022, she announced — in *Vogue*, of course — that she was “evolving away from tennis” after a career that netted her seven Wimbledon singles trophies, among other laurels. Her pregnancy with daughter Olympia, 5, was difficult. The 41-year-old suffered a pulmonary embolism after an emergency C-section, followed by a bout of postpartum depression. At the same time she was still competing as a world-class athlete. “Serena is so much happier with the pace of her life right now,” says an insider. “She accomplished everything she ever dreamed as a tennis player and now the same energy and passion are going into the next phase of her life — motherhood.” ★



Same Old Song

Marvin Gaye's hit "Let's Get It On" was written by the late Ed Townsend.

HE'S TAKING A STAND!

ED SHEERAN: QUITTING MUSIC?

Thinking out loud? As the copyright infringement lawsuit accusing him of lifting parts of Marvin Gaye's "Let's Get It On," wound down, **Ed Sheeran** threatened to quit the music biz if he lost the case. "If that happens, I'm done, I'm stopping," he reportedly said. "I find it to be really insulting. I work really hard to be where I'm at."

Luckily for his fans, the 32-year-old prevailed. At one point, he whipped out his guitar in court to prove the chord progression in question is common in many pop songs. His songwriting partner **Amy Wage** also testified that in creating the tune, "I was just playing some simple chords that I knew how to play," and had not infringed on the 1973 hit.

It's not the first time the Brit's originality has been challenged. Last year he also won a separate copyright infringement suit in the U.K. over 2017's "Shape of You." (He called the claim "baseless.") "Ed's happy he's exonerated in this case as well," an insider tells *Star*. "It makes him angry and very upset that he's been accused of something he denies with all his heart." ★

Lowest Lows

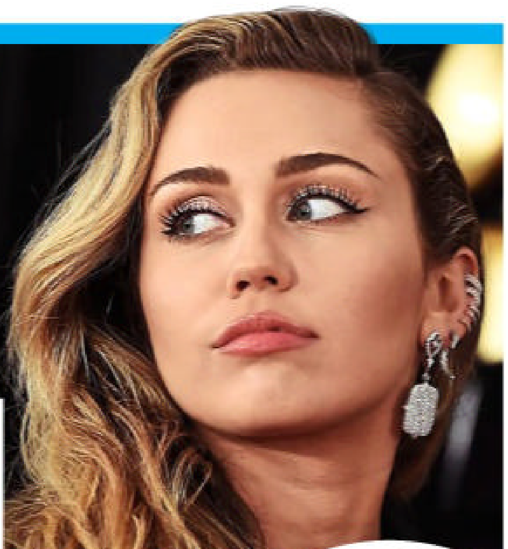
Struggling with undiagnosed MS left the *Cruel Intentions* star suicidal: "Wished myself dead."

SELMA'S BRAVE BATTLE

Though **Selma Blair** announced her Multiple Sclerosis diagnosis in 2018, in a new interview, the actress reveals that she had unknowingly been suffering from the disease since she was a child. By age seven she had lost the use of her right eye, left leg and her bladder, yet she was dismissed as an attention seeker. "If you're a boy with those symptoms you get an MRI," she tells *British Vogue*. "If you're a girl, you're called 'crazy.'" She would not get a proper diagnosis for another 40 years.

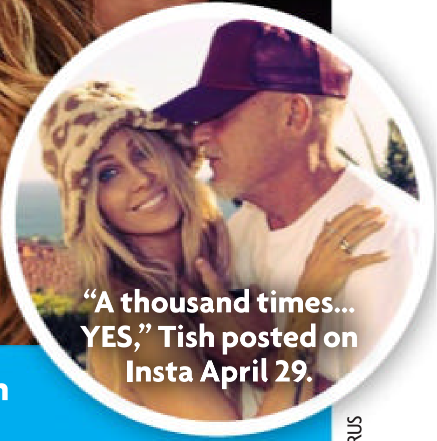
Now the *Dancing With the Stars* alum is using her celebrity to draw attention to people with disabilities. "I do think representation matters," the 50-year-old tells the mag. "If I can help remove stigma...for someone else, then that's great." ★

MILEY'S FAMILY DRAMA!



The couple met on the set of Miley's 2006 show *Hannah Montana*.

INSTAGRAM/@BILLY RAY CYRUS AND FIREROSE



"A thousand times... YES," Tish posted on Insta April 29.

INSTAGRAM/@TISHCYRUS

A year after they filed for divorce, both **Tish** and **Billy Ray Cyrus** are engaged — and not everyone is happy for new couples! Sources tell *Star* that **Miley Cyrus** is distraught that her parents have already moved on, Tish, 55, with *Prison Break* star **Dominic Purcell**, 53, and 61-year-old Billy Ray with 34-year-old singer **Firerose** (a.ka. **Joanna Rosie Hodges**.) "Miley wants to be happy for her folks, but it's hard," says an insider. "She hoped Billy Ray and Tish would last forever." Worse, the 30- year-old finds her dad's new romance "icky," reveals the insider, adding, "A lot of people think he's going through some kind of midlife crisis." As for her mom, the "Wrecking Ball" singer frets that after nearly 30 years of marriage, Tish is moving too fast. Says the insider, "It's all too much of a whirlwind." For now at least, the soon-to-be double-stepdaughter is putting on a brave face: "She's trying to be positive and optimistic, however hard that is for her." ★

"Whoopi's pushing for a big fat raise," says an insider.

SHOW THEM THE MONEY!

WHOOPI & JOY: PAY US MORE!

Whoopi Goldberg knows her worth — and she's not afraid to ask for it. Insiders tell *Star* that even though she still has two years on her contract, the *View* cohost is already looking for more money. "Whoopi came to this job with a bigger name than anyone," says an insider. "She's got real star power." And, the 67-year-old reasons, when she asks for more dough, everybody wins. "It raises the bar and sets a precendent for her coworkers," explains the source. "If they're savvy, they'll use her high salary as a way to bargain for bigger paydays for themselves."

Not everyone sees it that way, however. The insider dishes that **Joy Behar**, who makes a reported $7 million a year to Whoopi's $8 million, is frustrated. "Joy's been there the longest," says the insider. "She wants parity with Whoopi and thinks she deserves it." To the 80-year-old's mind, adds the insider, "the more Whoopi takes, the less there is for everyone else."

Either way, the *Ghost* actress is looking out for herself. "As far as she's concerned, it's none of her business how much the others are making," says the insider. "It's not going to stop her from driving a hard bargain." ★

STAR SPOTS THE STARS

- ★ **Hailey Bieber** and **Kendall Jenner**, on the set of *What's in My Kitchen?*, presented by HexClad and OBB Media, in L.A.
- ★ **Danielle Lombard**, ringing in Earth Day with Astral Tequila at the This Round's for the House event, in Sacramento, Calif.
- ★ K-Pop stars **ENHYPEN**, headlining the We Bridge Music Festival & Expo at the Michelob ULTRA Arena in Mandalay Bay Hotel & Resort, in Las Vegas.
- ★ **Meagan Good**, celebrating the season 2 wrap of *À La Carte* at the Bank Event Center, where guests sipped on YoCo Vodka, in Atlanta.
- ★ **Jared Leto**, continuing the Met Gala fun at The After party, where guests toasted with D'Usse Cognac, at the Box, in NYC.
- ★ **Billie Eilish**, hanging out after the Met Gala, at Top of the Standard, in NYC.

GWYNETH DISHES ON HER EXES!

WHO'S BETTER IN BED?

Tough Choice

"They're both so talented. And Ben is a great writer and director," said Gwyneth before calling Brad the better actor.

TMI, **Gwyneth Paltrow**, TMI! Apparently, it doesn't take much to get the GOOP founder to spill on her sex life. The 50-year-old got chatty about exes **Brad Pitt** and **Ben Affleck** on a new episode of the *Call Her Daddy* podcast, and the revelations were juicy! During a game of "Ben versus Brad," she even compared their performance in the bedroom. While she acknowledged that sex with former fiancé Brad — her boyfriend from 1994 to 1997 — "was like the major chemistry, love-of-your-life at the time," she revealed that Ben, who she dated from 1997 to 2000 "was like, technically excellent." (Lucky girl, **J.Lo**!) The Oscar winner, however, couldn't decide which ex was better in the make-out department, insisting, "They were both good kissers."

Now married to second husband, **Brad Falchuk** (she divorced **Chris Martin**, the father of her two kids, in 2016), she also seemed to imply that her relationship with Ben was more tumultuous, crediting him with both being more likely to make her laugh and more likely to fight with! ★

OUT AND ABOUT!

The Big Debut
Kendall and Bunny, who hit a Met Gala afterparty together, "have been hanging out every day for a while now," says a source.

Kendall & Bad Bunny
IT'S OFFICIAL!

The reality star and the rapper go public in NYC.

When she goes big, she goes big. As photographers snapped away, **Kendall Jenner** let the world know she and **Bad Bunny** are an item by attending a Met Gala afterparty as an obvious unit May 1. And the notoriously private model, 27, "was super excited for them to go public," says a source. "They'd been out together before, but this was very much her telling the world that this is her boyfriend."

Since the duo were first spotted on a what appeared to be a double date with **Justin** and **Hailey Bieber** in February, they've enjoyed a slew of rendezvous — from Coachella to horseback riding to cozy dinners — but hadn't confirmed their couple status until now. Kendall, who kept her two-year relationship with NBA star **Devin Booker** relatively hush-hush, "always told her family that when the right guy comes along, they'll know, because she'll parade him to the world," says the source. "Things with Devin were serious-ish but they kept it low-profile because there wasn't that same connection that she's got now with Bunny."

The source claims Kendall spent the evening of the Met Gala introducing the rapper as "'my boyfriend,'" adding that the Puerto Rico native, 29, was attentive throughout the night. "They're not trying to get too far ahead of themselves," says the source, " but it's apparent this is the real deal." ★

★ *Howdy, partner!* **Kelly Ripa** celebrated her 27th anniversary with

Cher & A.E.
IT'S OVER!

Cher's whirlwind romance with **Alexander "AE" Edwards** —with whom she teased an engagement in January — has ended after four months. "AE has been pulling away and stopped returning Cher's calls," says a source. "She confronted him about it and they made the mutual decision to split." The source adds that while the 76-year-old is putting on a brave face, she's upset about the breakup. "It went from zero to a hundred and she was determined to make it work," continues the source. "There was previous talk about a musical collaboration, but that's off the table now." Throughout the romance, the Grammy winner defiantly clapped back at "haters" who warned her about the rapper-producer, who's 40 years her junior and admitted to cheating on ex **Amber Rose** with multiple women. "The way Cher saw it, anyone questioning her was doing it out of jealousy," says the source. "So it's a blow to her ego things ended." ★

Cher's May-December romance with AE ended as suddenly as it began.

HIS LATEST MODEL!

Jared's NEW GIRL

Jared Leto has romanced a slew of stunners in his 51 years, including **Cameron Diaz**, **Scarlett Johansson** and a bevy of models. Now a source tells *Star* the *Dallas Buyers Club* actor's new girlfriend, 22-year-old Burmese model **Thet Thinn**, may have won his heart for the long haul. "Jared's been telling everyone he has a special girl in his life and isn't seeing anyone else," explains the source. "It's pretty new but he's gaga for her." The source adds that the age gap between the model and the Oscar winner "does sound some alarms" among his friends, "but it helps that Jared's in fantastic shape and looks closer to her age than he is." Adds the source, "He admits it's taken him a long time to mature, but he's a great guy and would make a great dad, so people are hoping he's really serious about finding a long-term partner." ★

Ariana's REVENGE ROMANCE

Ariana traded in unfaithful boyfriend Tom (inset) for new beau Daniel.

Thank u, next! *Vanderpump Rules* star **Ariana Madix** is quickly getting over **Tom Sandoval** — who cheated on her with pal and costar **Raquel Leviss** in a scandal that rocked the reality TV-sphere — thanks to a white-hot romance with hunky trainer **Daniel Wai**. "She's bragging to everyone about how great her sex life is again and laughing about how lucky she is to be rid of Tom," says a source. "She's only known Daniel for less than two months — they met at a friend's wedding — but she's head over heels. She wishes she would have left Tom a long time ago." The source adds that the 37-year-old had zero intimacy with her ex towards the end, "So her friends feel like she really needs this. They're so happy for her." ★

ARRIAGE/DOMESTIC PARTNERSHIP
(Family Law)
Costner, Kevin
Page 1 of 3

AFTER five years of playing beloved patriarch John Dutton on the smash-hit series *Yellowstone*, actor **Kevin Costner** is leaving the show. The surprising news comes amid rumors of behind-the-scenes tension between the Oscar winner and the show's creator, **Taylor Sheridan**, as well as reports that the grueling filming hours got the best of Kevin. "He had to juggle a ridiculously hectic schedule," says a source, "and had so many demands on his shoulders."

The dramatic decision to bow out was a case of too little, too late for Kevin's soon-to-be ex-wife, **Christine Baumgartner**, who blindsided the 68-year-old with divorce papers on May 1. "Kevin doesn't deny that his work commitments were taking a toll on their relationship," the source tells *Star*. "But he's shocked and heartbroken." The actor and Christine, 49 — who wed in 2004 — share three kids: Cayden, 16, Hayes, 14, and Grace, 12. Now he's bracing himself for what could be a messy split. "Kevin's worth more than $250 million, and that's not even counting his *Yellowstone* fortune," says a second source. "If Christine doesn't get what she wants, it could get very contentious."

ABSENTEE HUSBAND

Things at home changed dramatically when Kevin signed on to do *Yellowstone* in 2018. "They were living a much quieter life before he threw himself into that," says the first source. While Kevin toiled away on set in Wyoming, Christine, a handbag designer, was left alone with the kids back home in Santa Barbara, Calif. "It was difficult for her when he was gone for those long chunks of time," says the source. "To Kevin's credit, he was always checking in and breaking off to head home whenever he could, even for short stays, but Christine still felt his absence."

They had heated discussions over the years about Kevin putting career over family. "It's a lot like the **Tom Brady** and **Gisele Bündchen** situation," observes the source. "Christine wanted Kevin home but he couldn't resist the incredible high-profile job opportunity."

It wasn't just the long hours. "The behind-the-scenes drama and in-fighting affected Kevin and Christine's home life," says the second source. In February, reports surfaced that Kevin wanted to shoot the remaining half of season 5 in just one week, in part to free up his time to work on his upcoming film, *Horizon*. (Kevin's lawyer called the allegation "an absolute lie.")

The last straw for Christine was when Kevin signed on to host yet another project, the *Yellowstone:* ▷

THE ART OF RACING IN THE RA

Dad Duty

Kevin shares three older kids (top, in 2008) with ex Cindy, and three with Christine (bottom, in 2019). (He also has Liam, 26, from his relationship with Bridget Rooney.)

One-Fifty docuseries. "The word is Christine blew her top when Kevin took that gig," says the first source. "It was a step too far for her after they'd spent so much time apart."

OTHER ISSUES

Kevin's career was just one of the factors in play. "It may have added some stress, but that didn't end their marriage," claims the second source, adding that Christine had been feeling unsatisfied for a while. "She loves Kevin and she always will, but after almost 20 years together, things changed. They wanted different things," says the source. "I hate to say they drifted apart, but that's exactly what happened."

They both tried to make things work. "They did go to counseling," reveals the source, "even though it's not one of Kevin's favorite things to do." The source says the topic of divorce had come up before. "It had been brought up during some heated arguments, but none of their friends ever thought it would actually happen."

EXCESS BAGGAGE

There was a precedent, however. Kevin's divorce from his first wife, **Cindy Silva**, cost him a whopping $80 million back in 1994. The *Field of Dreams* actor reportedly paid off Cindy (with whom he shares Annie, 39, Lily, 36, and Joe, 35) as rumors of his extramarital affairs — including with a hula dancer on the Hawaii set of *Waterworld* — ran rampant. (He denied them at the time.) He's hoping his split with Christine is less costly — court documents reveal the pair had a prenup in place and both parents are seeking joint custody — and that their three kids won't be forced to choose sides. "Sometimes high-profile divorces, especially with young children involved, can get ugly," notes the second source.

IN DEEP

For now, he's doing his best to pick up the pieces. "Kevin's liaising with his lawyers and figuring out his next moves," reveals the first source. "The kids are his No. 1 priority and he wants to stay strong for their sake." The source says a few of his *Yellowstone* costars have reached out, including **Cole Hauser** and **Kelly Reilly**. "They're offering to support him in any way they can," says the source, adding that it "means a lot" to the spiraling actor. "He's in a world of pain and really needs all the love and friendship he can get." ★

On the Ranch

Yellowstone **remains in limbo in light of Kevin's departure. (The first half of season 5 ended in January; no later episodes have been shot.) Despite talk that the actor's ego caused drama with costars and series creator Taylor Sheridan, a source insists Kevin "was the consummate pro."**

Love and Loss

"I feel so sad that he was so there and we weren't in the knowing," Allison said of not being able to see her husband's pain.

IN AN EMOTIONAL INTERVIEW, STEPHEN "TWITCH" BOSS' WIDOW SHARES HOW SHE KEEPS HIM CLOSE.

Allison Holker: "I Talk to Him Every Night"

NEARLY five months after the tragic suicide of her husband, Stephen "tWitch" Boss, **Allison Holker** continues to grieve. The 35-year-old, sitting down with the *Today* show's **Hoda Kotb**, grew emotional remembering the man she called "magical," revealing how difficult it's been to accept that her spouse of nine years and dad of three, is gone. "I talk to him every night," the *So You Think You Can Dance* alum shared. "Sometimes it's just like, 'I took the kids to school.' Sometimes it's deeper, a little bit heavy." Describing her sorrow, she said, "If I'm feeling this much pain, it's because I've had so much love."

Through her pain, Allison is determined to share her story to raise awareness around mental-health issues and suicide. "He wanted to be the strong one for everyone," she explained. "I think it was a little scary for him to think that he might need to ask for help." Her speaking out will, she says, "hopefully make people feel comfortable asking for help."

SEARCHING FOR SIGNS

The longtime DJ on **Ellen DeGeneres'** chat show showed no signs of despair before he was discovered dead of a self-inflicted gunshot wound in an L.A. hotel room in December. "There's no one that saw this coming," Allison said in the emotional interview. "No one." That didn't stop her from replaying events, trying to uncover a warning sign she'd missed. "I did it a lot in the beginning," she admitted. "I eventually had to tell myself that I can't change anything that's happened."

The Minnesota native also had their children to think about. (In addition to their two kids together, tWitch adopted her child from a previous relationship.) "I don't really have any other choice but to be strong," she said, admitting that it's not been easy. "They still see me have my highs and lows." Says an insider, "Allison is still processing the tragedy. The void in her life that was created by Stephen's death is always there."

Hoping to give her kids some comfort, Allison revealed she shared how she stays close with their father. "To us, Daddy is in the stars," she told Hoda, "so we can go outside and talk to him whenever we want." ★

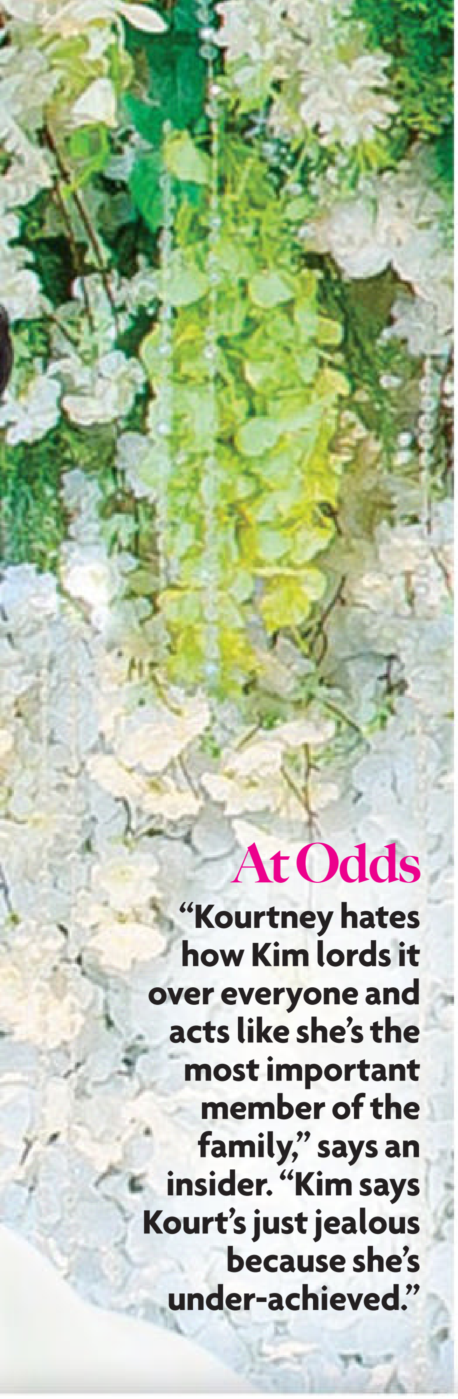
KOURTNEY KARDASHIAN ACCUSES SISTER **KIM** OF A "GREEDY ACT OF TREACHERY" THAT NEARLY RUINED HER WEDDING AS THEIR BAD BLOOD CONTINUES.

SISTERS AT WAR!



At Odds

"Kourtney hates how Kim lords it over everyone and acts like she's the most important member of the family," says an insider. "Kim says Kourt's just jealous because she's under-achieved."

KOURTNEY KARDASHIAN'S third wedding to Blink-182 drummer **Travis Barker** was a lavish affair. Sponsored by Italian fashion house Dolce & Gabbana, it took place May 22 at the designers' luxe villa in Portofino, Italy. The seaside town is known for yachts, stunning views — and, for **Kim Kardashian** at least, wheeling and dealing. Turns out, the SKIMS founder, 42, spun a D&G collab worth a reported $15 million out of Kourtney's big day. Or, as the 44-year-old deadpans in the season 3 trailer for the family's Hulu show, *The Kardashians*, "My sister used my wedding as a business opportunity."

And, as sis **Khloé Kardashian** puts it in the clip, Kourt is "livid." She was blindsided, says an insider. "She's saying the deal was a greedy act of treachery and way out of line." Now sources tell *Star*, not since Kim and Kourtney's infamous physical fight in 2017 have the two been so at odds with each other — and it's not just for TV. "They can't be together longer than five minutes without fighting," says an insider. "It's really toxic."

DOLCE & GABBANA

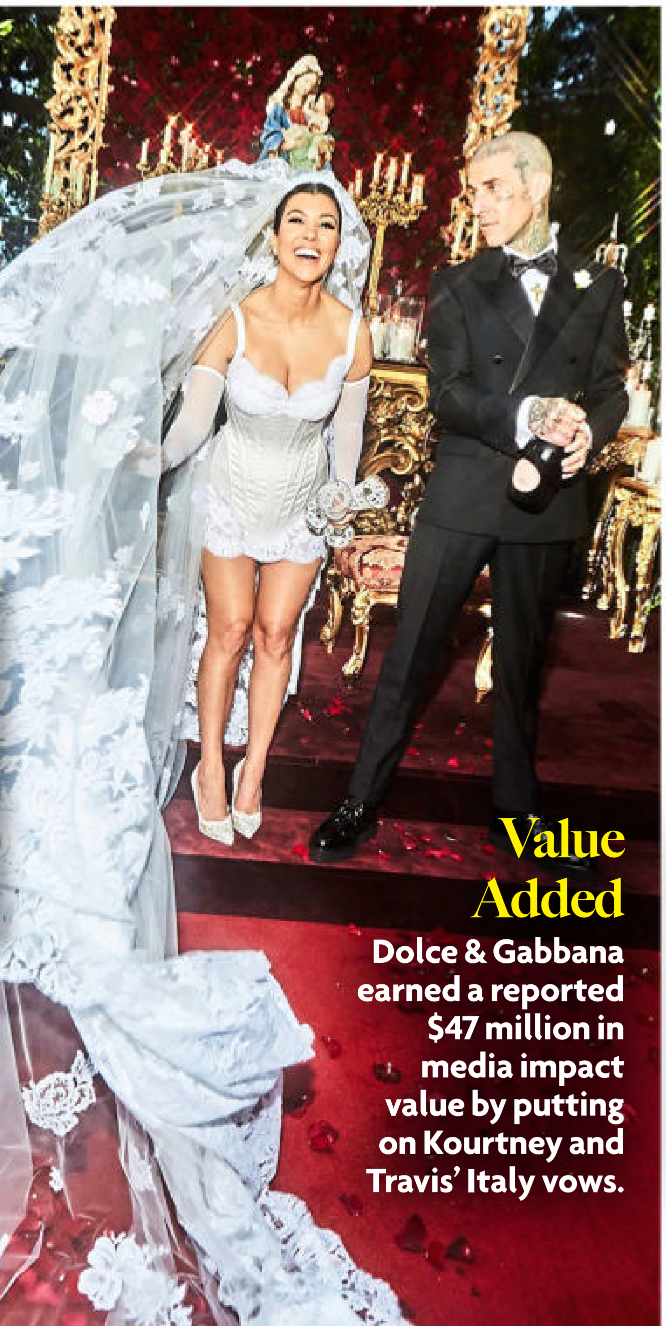
Dealing With It

An insider says Kourtney finds it "tacky" that Kim made a deal with the designers. "She's been fuming about it. It was out of line, period."

LONGTIME RIVALS

The feud goes back to when the pair were kids. At just 18 months apart in age, the oldest of **Kris Jenner** and the late Robert Kardashian's three girls were more like twins, says an insider. "They were always competing for their parents' attention — especially their dad's." The pair grew up trading barbs and physically tussling. "When they fight, there's no limit to how far they'll take it," continues the insider. "They've been doing it all their lives, but that doesn't make it healthy." Indeed, Kourtney later said of her rage-filled 2017 attack on her sis, "I probably blacked out."

After that onscreen smackdown, the mom of three took a step back, both from her sister and from their E! reality show. The move infuriated Kim, who questioned her work ethic. (A source says she called it "a brat move.") "I'm in a different place," the POOSH founder later said, adding that she'd started therapy. "I love to keep my little bubble and as they say, 'Protect your energy.'"



Value Added

Dolce & Gabbana earned a reported $47 million in media impact value by putting on Kourtney and Travis' Italy vows.

LOVE TRIANGLE

Enter Travis, who further strained their relationship. Despite the 47-year-old's seemingly insatiable need for PDA with his now-wife, he's gone on record saying he first lusted after Kim. The drummer called the mom of four "f**king hot," in his 2015 autobiography, revealing that he even tried to date her. Then he doubled down in an interview that same year in which he gushed, "Kim was eye candy."

Even though Kourtney's the one with the ring on her finger, says the insider, she's "mortified" her guy ever crushed on her sister. You can bet that's something Kim takes full advantage of. "She sees it as validation that she's hotter than her sister," says the insider. "It makes Kourt insecure and angry."

For her part, Kim rolls her eyes at what she sees as Kourt's puppy-dog devotion to Travis. "Kim finds it pretty pathetic that Kourtney has become this robot who bows down to her husband like he's some kind of god," says the insider.

FUEL TO THE FIRE

Maybe she's onto something, though: According to the insider, Kourtney's confidence is on the upswing. "He treats her like a queen and she feels empowered to stick up for herself and not take Kim's BS," explains the insider. "She's like, there's a reason Kim keeps striking out with guys!" All of which means the sniping is just getting started! ★

Vamp-ing

THEY VANT TO SUCK YOUR BLOOD! THESE ACTORS SUNK THEIR TEETH INTO ROLES THAT HAD THEM REVIVING THE FAMOUSLY UNDEAD.

NICOLAS CAGE

Renfield

"The more I thought about the Dracula character, the more I saw him as… a kind of romantic addict," the 59-year-old says of his incarnation of the bloodsucker who torments his procurer (**Nicholas Hoult**) in the horror-comedy (out now), adding, "You can supplant any addiction, whether it's alcohol or heroin or sex, or whatever, and turn that into bloodlust."

"There's care and love between these two characters," Nicholas Hoult says of Dracula and his henchman.

MY, WHAT BIG TEETH YOU HAVE, NIC!

ALEXANDER SKARSGÅRD

True Blood

The Swede brought the sexy to the 2008–2014 series about a telepathic waitress (**Anna Paquin**) in southern Louisiana and a pair of vampires. But playing the undead had its drawbacks. "I just basically had to stay pale for seven years, which is not easy when you shoot and live in Southern California," the 46-year-old has said. "But anything for the art!"

Alexander currently plays a predatory investor in HBO's *Succession*.

It Up

BRAD PITT

Interview With the Vampire

The 59-year-old played opposite **Tom Cruise** and **Kirsten Dunst** in the 1994 film based on Anne Rice's bestseller, but doesn't have fond memories of making the flick. Once filming moved to London's Pinewood Studios he was "miserable," he told *EW*. "Six months in the f**king dark." He also objected to how his character, New Orleans vampire Louis de Pointe du Lac, had changed from book to script: "For me, there was just nothing to do."

HE LOOKS PRETTY GOOD FOR A 228-YEAR-OLD!

Brad donned yellow contact lenses and was caked in white makeup to play Louis.

ETHAN HAWKE

Daybreakers

After a plague turns most humans into vampires, causing a blood shortage, the 52-year-old's vampire hematologist tries to develop a blood substitute in the 2009 horror/sci-fi flick. "The genius of the vampire myth, for me, is what it's like to live your life without fear of death," the Oscar nominee mused. "You're not a werewolf or something horrible. You're kind of like yourself, but you're not going to die."

GERARD BUTLER

Dracula 2000

The *300* actor's audition tape for the 2000 flick about would-be art thieves who accidentally reawaken the bloodthirsty count caused a stir when it hit YouTube more than a decade later. The 53-year-old reportedly campaigned hard for the part — though maybe he wishes he hadn't. The *New York Times* dismissed the movie as "a thudding, suspense-free montage of unshocking shock effects and more severed heads than toppled during the French Revolution."

ROBERT PATTINSON

Twilight

"It's kind of a mixture of looking slightly constipated and stoned," the 36-year-old griped of playing the sparkly neck biter in the five films based on the romance novels by **Stephenie Meyer**. Though the role launched his career, the Brit has never been shy about mocking the source material, telling one interviewer, "When I read it, it seemed like it was a book that wasn't supposed to be published."

"The renown of Italy's jewelry, with its sensual beauty and extraordinary craftsmanship, is founded on the goldsmithing skills passed down through generations." – The New York Times

I guess I was a little bored. For the past hour, I'd been on the phone with Daniele, the head of my office in Italy, reviewing our latest purchases of Italian gold, Murano glass and Italian-made shoes and handbags.

"Daniele," I said, "What is the hottest jewelry in Italy right now?"

His reply? Woven gold bracelets studded with gems. He texted me some photos and I knew immediately that this was jewelry that Raffinato just had to have.

RAFFINATO IS ONE OF AMERICA'S LARGEST RETAILERS OF ITALIAN-MADE JEWELRY

Presenting the Italiano Fantasia Bracelets, two designs that are prime examples of Italy's finest artisanship. Each of these bracelets includes more than 20 brilliant cut gems of Diamond*Aura*®, our Ultimate Diamond Alternative®, in a setting finished with 18 karat Italian gold.

What is Diamond*Aura*®? Why, it's a sparkling marvel that rivals even the finest diamonds (D Flawless) with its transparent color and clarity: Both are so hard they can cut glass. Don't believe me? The book "Jewelry and Gems: The Buying Guide," praised the technique used in our diamond alternative: "The best diamond simulation to date, and even some jewelers have mistaken these stones for mined diamonds," it raved.

The best part about these bracelets? The price. Because of our longstanding connections in Arezzo, the mecca of Italian goldsmithing, we can offer both bracelets together for just $99, a fraction of the price you'll pay anywhere else for similar jewelry.

Order today. These bracelets are one of our hottest sellers this year, and with disruptions in the supply chain, we can only guarantee that we have ~~1,273~~ 861 of these bracelets on hand for this ad.

Make the next gift you give your loved one a trip to Italy with the Italiano Fantasia Bracelets, stunning accessories that are sure to turn heads.

Jewelry Specifications:

- Made in Arezzo, Italy. 18k gold finish

BOOK CLUB: THE NEXT CHAPTER

Jane Fonda, Diane Keaton, Mary Steenburgen, Candice Bergen

In theaters Fri., May 12 PG-13

It's like *The Golden Girls* gone wild! After the pandemic lockdown comes to an end, the four book-clubbing best friends take a trip to Italy. The celebratory occasion? A bachelorette party for lifelong singleton Vivian (Fonda), who has accepted a marriage proposal from Arthur (**Don Johnson**). Complications ensue: Carol (Steenburgen) is concerned about leaving her husband, Bruce (**Craig T. Nelson**), behind after his recent heart attack — but that doesn't stop her from flirting with the Italian chef (**Vincent Riotta**) she had a fling with many decades ago. (Will they keep their heat contained to the kitchen?) Meanwhile, Judge Sharon (Bergen) is single and ready to mingle with a handsome suitor (**Hugh Quarshie**) — and finds herself on the wrong side of the law when she annoys a grumpy local cop (**Giancarlo Giannini**). And then there's Diane (Keaton), who gets a sweet surprise from her boyfriend, Mitchell (**Andy Garcia**). The superior sequel is both a rollicking rom-com *and* an emotional ode to female friendship.

THE MOTHER

Jennifer Lopez , Lucy Paez

Premieres Fri., May 12, on Netflix R

It's Jenny from the block — with a Glock! On the run from revenge-seeking assailants, an assassin (Lopez) comes out of hiding in order to protect the 12-year-old daughter (Paez) she abandoned earlier in life. Yes, the men after her are dangerous — but mama bear is even more deadly. Mom must make up for lost time, while teaching her understandably annoyed daughter how to survive. If you thought J.Lo was tough in *Enough*, wait until you see this intense action-thriller. **Omari Hardwick**, **Gael García Bernal** and **Joseph Fiennes** are among the star-studded supporting cast.

TELEVISION

THE FAMILY STALLONE

Sylvester Stallone

Premieres Wed., May 17, on Paramount+

Rocky relationships! Action hero and family man Sylvester Stallone's stunts include combing cat hair on his new reality show, in which the *Tulsa King* star shares the spotlight with his wife, **Jennifer Flavin** ("The Queen"), and their daughters **Sophia** ("The Heart"), **Sistine** ("The Risk Taker") and **Scarlet** ("The Scene Stealer"). Expect cameos from Sly's pals (**Al Pacino**! **Dolph Lundgren**!) as his daughters deal with issues like dating when your dad is Rambo. There's no place like Stallone...

HYPNOTIC

Ben Affleck, Alice Braga

In theaters May 12 R

Detective Danny Rourke (Affleck) learns that the abduction of his daughter is connected to an unusual series of bank robberies. When a psychic (Braga) informs him that brainwashed crooks are operating under the influence of powerful "hypnotics" connected to a secret government program, he'll risk everything to get his daughter back. The mind-bending action-thriller from *Desperado* director **Robert Rodriguez** will hypnotize fans of flicks like *Inception* and *Limitless*.

TELEVISION

HIGH DESERT

Patricia Arquette

Premieres Wed., May 17, on Apple TV+

A former drug dealer and recovering (?) drug user, Peggy Newman (Arquette) is forced to find a new hustle after the death of her mother, with whom she lived in a small California desert town. Her grand plan? Going to work as a private investigator. Although her old crony and new boss (**Brad Garrett**) is somewhat skeptical, Peggy turns out to be a natural gumshoe as they crack open a case that could make their reputations — or end their lives. Although it arrives in the shadow of *Poker Face*, the kooky crime comedy proves there's plenty of room for another quirky P.I.!

TELEVISION

CELEBRITY I.O.U.

Jonathan Scott, Drew Scott, Heidi Klum

Premieres Mon., May 15, 8 p.m. on HGTV

The trio aims for fabulousness and function as they create an open-concept living room and swoon-worthy kitchen. Upcoming episodes will feature **Julianne Hough**, **Taraji P. Henson**, **Kristin Chenoweth**, **Jay Leno** and **Emma Roberts** paying back loved ones with a home makeover.

Commemorating the Crowning of Britain's Beloved Royal

Catherine, Princess of Wales

An Ashton-Drake Exclusive

This 15" doll is not a toy, but a fine collectible. Not intended for children under 14.

The future of the House of Windsor has arrived. Catherine, Princess of Wales, now walks the path laid out before her by the beloved Princess Diana. And while she honors her memory with poise and elegance, Kate builds on Diana's legacy by forging her own path from Duchess to Princess. Celebrate the next successor to the throne with Catherine, Princess of Wales, an exclusive portrait doll from Ashton-Drake, that captures the stunning beauty and likeness of this current princess.

A Royal Family Order brooch with a photo of Queen Elizabeth II

Posed in our recreation of her Alexander McQueen gown worn at a State Banquet, she wears luxurious silk dupioni fabric that is hand dyed by our artisans, ruched, and iridescent. Hand painting of her features, plus historic replica jewelry, complement her gown, graceful beauty, and warm smile. She wears a Royal Family Order brooch with a photo of Queen Elizabeth II, Queen Alexandra's wedding necklace, Princess Diana's Collingwood pearl earrings, and the Lover's Knot tiara. Our artisans sought to replicate the intricate detail of her jewelry pieces and sculpted hand clutch, while also hand painting each detail to perfect the natural look of her lifelike eyes, warm smile, and effortless beauty.

Delight in the glamour and royal presence of *Catherine, Princess of Wales* in your home, payable in four installments of only $49.98 (plus a portion of the $20.99 shipping & service fee) for a total of $199.95*. MY HAIR WAS THINNING!

Amy felt her hair was shedding and starting to look bad. She wanted to do something about it. Here is her story:

"Lately my hair started to look dull and it was shedding like crazy. It was frustrating because thick and beautiful hair makes me feel good and I didn't want to lose that.

NUTRIENTS FOR YOUR HAIR

My friend told me about Hair Volume™. I searched online and found all the positive reviews and also learned that temporary hair loss due to lack of nutrients is common. I wanted to do something good for my hair so I decided to give Hair Volume™ a try – what did I have to lose?

3 MONTHS LATER

A few days later I started taking Hair Volume™, and now it has been almost 3 months. I feel so much more confident and happy that I am caring for my hair. My husband recently commented on my hair, which made me feel great. I strongly recommend this product to anyone who wants to promote healthy and full hair."

THE MANE EVENT!

A Hair-Raising Performance

New Orleans, April 28

Lizzo wasn't feeling good as hell when she took the stage at JazzFest. The night before, the "Juice" singer went out in New Orleans to celebrate her 35th birthday. "Don't nobody make you sleazy like the Big Easy," she joked after confessing to the Louisiana crowd that she was hungover. Ever the professional, Lizzo still put on one heck of a show, belting out hits like "About Damn Time" and performing flute solos during her headlining set at the Fair Grounds Race Course. "We have to end before curfew," she warned, though. "And it looks like it's bad b***h o'clock!"
